# Material Safety Data Sheet

## 1. Identification of substance:

- Product Name: Wild Yam Extract
- Botanical name: *Dioscorea opposita Thunb*
- Plant part used: Tuber
- Manufacturer/Supplier: Shaanxi Kepler Biotech Co.,Ltd
- Country of Origin: CHINA
- Origin of material: CHINA

## 2. Composition/Data on components:

- Chemical characterization: pure natural product.
- Description: Off-white powder
- Dangerous components: no.

## 3. Hazards identification

- Hazard description: not applicable.
- Information pertaining to particular dangers for man and environment: not applicable

## 4. First aid measures

- General information: no special measures required.
- After inhalation: Supply fresh air; consult doctor in case of complaints.
- After skin contact: generally the product does not irritate the skin.
- After eye contact: Rinse opened eye for several minutes under running water.

## 5. Fire fighting measures

- Suitable extinguishing agents: CO<sub>2</sub>, extinguishing powder or water spray. Fight larger fires with water spray of alcohol resistant foam.
- Protective equipment: No special measures required.

## 6. Accidental release measures

- Measures for environmental protection: No special measures required.
- Measures for cleaning/collection:
  - Pick up mechanically avoiding causing a stir.
- Additional information: No dangerous substances are released.

## 7. Handling and storage

- Information for safe handling: No any effect.
- Information about protection against explosions and firms: No special measures required.
- Storage: Keep in a cool and dry place, away from light and heat. Metal containers are not used.
- Information about storage in one common storage facility: Not required.
- Further information about storage conditions: None.
- Storage class: no special requirement.

## 8. personal protection

- Personal protective equipment: no requirement.
- Breathing equipment: common mask.
- Protection of hands: Not required.
- Eye protection: Not required.

### **9. Physical and chemical properties:**

- Form: Off-white powder
- Odor: Characteristic
- Loss on drying: No more than 10%
- Ash: No more than 5%
- Heavy Metal: <10ppm
- CAS NO:512-04-9

### **10. Stability and reactivity**

- Thermal decomposition / conditions to be avoided:  
No decomposition if used according to specifications.
- Dangerous reactions: No dangerous reactions known.
- Dangerous products of decomposition:  
No dangerous decomposition products known.

### **11. Toxicological information**

- Acute toxicity: none
- Primary irritant effect: astringent
- On the skin: no irritant effect on the skin. The inhalation of powder can irritate the respiratory tract.
- On the eye: No irritant effect.
- Sensitization: No sensitizing effects known.
- Additional toxicological information:  
When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

### **12. Ecological information:**

- General notes: Not known to be hazardous to water.

### **13. Disposal Considerations**

- Special Remarks on the Products of Biodegradation: Not available.

### **14. Transport information:**

- ADR/RID class: By sea or by air
- Storage: keep in cool and dry place, well-closed, away from moisture or direct sunlight
- Package: In uses the double decked plastic bag, 25kg/ fiberboard drum.

### **15: Other Regulatory Information**

References: No data available.

### **16. Other information:**
